

**Park County Board of Commissioners
February 5, 2008
Regular Meeting**

Proceedings of a regular meeting of the Board of County Commissioners of Park County, Wyoming, held in Cody, Wyoming on Tuesday, February 5, 2008. Present were Commission Chair Tim French, Commissioners Bill Brewer, Bucky Hall, Jill Shockley Siggins and Marie Fontaine, and County Clerk Kelly Jensen.

Public Hearing - Beartooth Mountain Springs Variance

Chairman French opened a public hearing to consider the application of Beartooth Mountain Springs, LLC by Daren Singer and Phillippe Lajaunie for a Variance request to allow a minor wholesale business within the GR-20 (General Rural 20-acre) zoning district for a bottled water distributing, storage warehouse, and staging area. The parcel is located at 2900 Belfry Highway, east of Highway 120, west of the Clarks Fork River.

Upon hearing comments from the Park County Planning staff, County Engineering staff, County Assessor, and representatives of Beartooth Mountain Springs, LLC, Commissioner Hall made a motion, seconded by Brewer, to close the public hearing. Motion carried.

Commissioner Hall made a motion, seconded by Brewer, to adopt **RESOLUTION 2008-03, APPROVAL OF A VARIANCE REQUEST FOR BEARTOOTH MOUNTAIN SPRINGS, LLC, TO ALLOW A MINOR WHOLESALE BUSINESS WITHIN THE GR-20 ZONING DISTRICT ON PROPERTY LOCATED WITHIN THAT PART OF LOT 5, SECTION 30, WHICH LIES SOUTH OF THE PRESENT STATE HIGHWAY AND WEST OF THE CLARKS FORK RIVER, T57N, R101W, 6TH P.M., PARK COUNTY, WYOMING**, noting the following basis for the variance: There is an existing commercial operation at the location; The property is isolated from farming and agriculture and there has been an existing business prior to land use planning; Both operations (water bottling and Edelweiss) existed prior to the application; The land is not conducive to agricultural or other such uses; The application allows expansion of business without further detriment to the neighborhood by limiting large semi-truck traffic on County roads; This is a minimum variance by limiting the building size; The parcel is already being used commercially; Voting in favor of the motion were Commissioners Brewer, Siggins and Hall. Opposed was Fontaine, stating she prefers additional public input in the review process. Motion carried.
