Landfill Provisional Equipment Operator Position Available

The Solid Waste Division (SWD) of the Park County Public Works Department (PWD) with an office in Cody, Wyoming is currently accepting applications for the position of Provisional Equipment Operator (PEO). Under the administrative and technical direction of the SWD Manager with close coordination with the various individual site managers/lead operators, the PEO is responsible for the operation of various types of heavy equipment on an as needed basis including track loaders, water trucks, dozers or related equipment utilized in daily operation of the County landfill facilities. These operations include but are not limited to moving, covering and compaction of waste deposited into prepared landfill cells. Operations also include ongoing road maintenance for the ease of access into and out of the designated landfill areas. Park County's solid waste operations include the Cody, Powell, and Clark Landfills.

Compensation: Starting rate: \$14.50 per hour (Non-Exempt)
Position is Part-time/hourly on an as needed basis and not eligible for benefits

Work Schedule: Variable – As or when needed (not to exceed 30 hours per week);
Typical Hours of Operation - 7:00 AM to 4:30 PM, Monday through Saturday

Application Deadline: Open until filled

Please submit completed application and resume to Park County Solid Waste Division, 1131 Eleventh Street, Cody Wyoming 82414 or email to gpalmersheim@parkcounty.us. The County job application, job description and salary range are available under *Current Job Openings* viewed on the Park County website at www.parkcounty.us. Park County is an equal opportunity employer.
