

SECTION 6. Miscellaneous Policies

- a. **Snow removal policy:** It is the County's policy to plow after an accumulation of at least four (4) inches of snow.

(See Pages 47-48 of the Park County Road & Bridge Standards & Specifications)

Snow removal operations will start early enough to allow for the necessary snow removal on the main school bus routes prior to the scheduled bus runs.

During major snow storms, snow removal operations will concentrate on keeping the main traveled roads open during normal school/working hours. Driveway approaches and mail box pull-outs may be plowed only after the road system has been plowed and clean up operations can commence. Driveway entrances are generally the responsibility of the property owner with possible exception to emergency situations.

Snow removal operations will not be conducted between the hours of 9:00 p.m. and 4:00 a.m. for any reason except a life threatening emergency. Snow removal operations utilize the following priority system (see Table 5-12):

Table 5-12 SNOW REMOVAL OPERATION PRIORITY SCHEDULE	
ROAD CLASSIFICATION	PRIORITY
Primary/Arterial	1
Secondary/Collector	2
Residential	3
Local Access	4
Recreational	5

Exceptions to this priority system include school bus routes and emergency access requirements. It is the County's policy to provide snow removal operation in a consistent and economical manner on County roads.

The County does not provide snow removal operation on private roads, except in emergency conditions.

The County may move a vehicle that causes an obstruction to a County road so the vehicle does not cause such obstruction. The County is not responsible for any damage caused to the vehicle.
